## European Health Insurance Card (EHIC)

There are arrangements throughout the European Economic Area (EEA) for coordinating the health care systems of the member states.

Free or reduced-cost treatment may be available and as a result of an agreement with the EU, which came into force on 1 June 2002, these arrangements also cover Switzerland.

Only treatment provided under the state scheme is covered. However, to obtain treatment you will need to take a European Health Insurance Card (EHIC) with you.

UK issue of these cards began September 2005 and the E111 form is no longer valid.

You can apply for an EHIC on line, free of charge and delivery is normally within seven days.

You can apply for an EHIC for your spouse/partner and any children up to the age of 16 (or 19 if they are in full-time education) at the same time as applying for your own. If you are a foster parent or guardian (including boarding school teaching staff), you can apply on behalf of any children you are looking after. You must be over 16 to apply as a main applicant.

In Scotland the NHS number is known as the Community Health Index (CHI) number and in Northern Ireland it is known as the Health and Care number.

Some insurance companies may require the policy holder to have an EHIC and your insurance may be affected if you are eligible for but do not have an EHIC.

**If you purchase insurance arranged by The Ski Company you must have an EHIC with you in resort. If you are not eligible then you must let us know at the time of booking.**

Further information regarding the EHIC is available on the Department of Health website at <http://www.dh.gov.uk>
