Client Screening Procedures

The Ski Company organises package holidays for school groups.

Each school will decide on the students they allow to participate in their school ski trip, The Ski Company does not get involved in this process.

However, if the school has accepted a reservation from a student to travel but subsequently decides that in the run-up to departure, participation is no longer permitted for behavioural or any other reason then this booking will be treated as a cancellation and charges will be applied. Parents are made fully aware of this condition prior to making a booking as it is made clear in The Ski Company Booking Terms and Conditions.
